

## An Informative Afternoon with PDK Tower

Afternoon session seating capacity is 30 seats! You are invited to participate in making YOUR airport a better and safer place to operate. Discussions will include: operations, moving on the taxiways and runways, direct pilot notification technologies, current trends in surface incidents, and communications with Air Traffic Control (ATC).

**Directions:** Enter PDK airport from Clairmont Rd. Proceed toward the end of Airport Rd. Meeting will be held inside main terminal building, Rm. 227. Please consult "Preview Map" link below.

### A message from the National FAASafety Team Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
